

## Nitrogliss Solo

**+ Ideas:** Nitrogliss Solo has been designed primarily for children from 7 to 12 years.

**+ Design:** the undeniably new and cool design features gently rounded shapes.

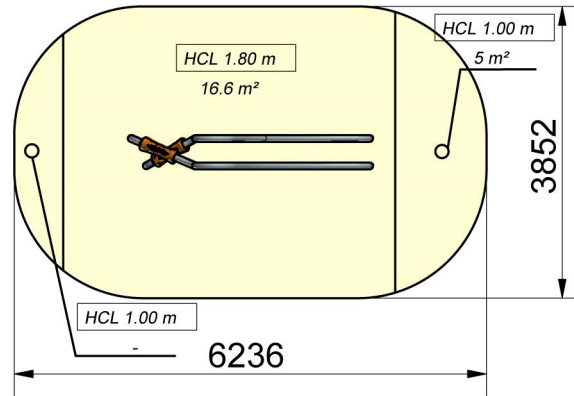

**+ Fun:** slides are still kid's number one favourite in the playground.

### + Technical features:

- the epitome of high quality, stainless steel is, in itself, a guarantee for durability and easy, cost-effective maintenance.
- the high-volume or complex-shaped components are made using the rotational moulding technique. For optimum robustness, HUSSON only uses volume-dyed, extremely thick, easy maintenance, top-of-the-range materials.

Identification	
Catalogue	Play Equipment
Range	Solo+
Universe/Theme	Moving play equipment
Page	203
Recreational characteristics	
Age group	7-12 years
Dimensional characteristics	
Equipment dimensions (LxWxH)	452x3147x1844 mm
Maximum free-fall height	1.8 m
Overall dimensions of impact area	3852x6236 mm
Total impact area in m <sup>2</sup>	21.6
Materials	
Frame	Stainless steel
Other material used	Rotation moulded thermo-plastic
Standards (tested by an independent laboratory)	
NF-EN 1176 Version 2008	Yes
Installation	
Delivery	Pre-assembled
Foundations -0.40 m	4 blocks
Foundations 0 m	Concrete slab or 4 blocks

SAFETY AREA : 21,6 m<sup>2</sup>
