## Solo+ range

### + FRAME/STRUCTURE

#### ***Robustness that surpasses current standards***

Mast made of hot-dip galvanised powder coated steel tubing.

### + NETTING

#### ***Husson's exclusive feature***

Our steel core climbing netting is coated with a substantial colour polyamide sheath.

### + ASSEMBLY

#### ***An exclusive rope system***

An exclusive tensioning system on the mast tightens the rope, facilitating installation and maintenance.

### + MAINTENANCE

#### ***Secure rope connection***

The practical system for connecting the ropes together ensures that customer service technicians can perform tasks (e.g. replacing a worn rope) easily and cost effectively.
