## + PRE-ASSEMBLED

### *A unique concept*

Compact equipment delivered pre-assembled (factory assembled) for ultra fast, problem-free installations.

## + FRAME/STRUCTURE

### *100% stainless steel frame*

The epitome of high quality, stainless steel is, in itself, a guarantee for durability and easy, cost-effective maintenance.

## + FLOORS/COVERING

### *HPL floors and panels*

Multi-coloured HPL panels specially designed for HUSSON: high-pressure laminate, extremely wear-resistant (thickness 15 mm), rot-proof, not readily flammable, volume-dyed solid material.

The flooring is made from anti-slip perforated HPL to facilitate maintenance.

## + THERMOPLASTIC COMPONENTS

### *Rotation moulded thermoplastic components*

The complex-shaped components are made with the rotational moulding technique. For optimum robustness, HUSSON only uses volume-dyed, extremely thick, easy maintenance, top-of-the-range HDPE (High Density Polyethylene) type material.

## + ASSEMBLY

### *Exclusive assembly system*

- Clips and bearings manufactured in injected cast aluminium.
- Special anti-loose, vandal-resistant stainless steel bolts (with exclusive HUSSON tool).
- Use of stainless steel and an exclusive\* assembly system on all of HUSSON's ranges enables easy and cost-effective maintenance.
- Improved robustness thanks to a double-clamping system.

## + NETTING

### *Husson's exclusive feature*

Our steel core climbing netting is coated with a substantial colour polyamide sheath.

## + SAFETY

### *The safety of a large manufacturer*

The MAGIC'color play equipment is designed in accordance with the new European standards EN 1176 version 2008 and Decree no. 94-699.

Compliance with standards is guaranteed by tests and certification carried out by an independent test laboratory.

## + GUARANTEE

### *Long-term 10 year guarantee*

- Guaranteed parts: metal frame (posts and assembly parts), HPL panels, flooring.
- For HUSSON's guarantee application conditions: see HUSSON's general terms and conditions of sale (on the last pages of the current price list).

\*Patented exclusive system
