Out&Fit Training

DEVELOPING BALANCE
AND STAMINA

1

Solid Structure

Made with;

- Hot-dip galvanised steel : submerged in molten zinc at 450°C.
- Thermo-lacquered : polyester powder, heated by a 210°C oven.

All these conceptions and methods bring solidity and robustness against climatic hazards and acts of vandalism.

2

Exclusive Electro--Magnet Resistance System

The Out&Fit Cycle comes with an exclusive electro-magnet resistance system that makes it the perfect training companion (the faster you pedal, the greater the resistance).

The JFI-0907 has a smartphone charger, the electricity you generate when cycling is used to charge your phone.

3

Comfort

The sitting and the back of the seat were carefully considered to bring an excellent back support.

The position of the bicycle drive and the form offer a sports practice with comfort, safety and fun.

4

Sustainable Development

Thanks to their forms, colours and designs, the Out&Fit stations and apparatus fit perfectly in all environments.

5

Safety & Guarantee

- The Out&Fit apparatus is designed according to a strict set of specifications aligned with the requirements of the new EN16630 standard. The equipment is then tested and approved by an independent laboratory. They are designed for adults and teenagers over 14 years old.
- **20 years:** for the mechanical resistance due to a manufacturing defect on: metallic parts of the structure (posts, stainless steel screws).
- **10 years:** for the mechanical resistance due to a manufacturing defect on: the other metallic parts, made in aluminium, HPL and HDPE panels, "Wood Woodtech" (except mobile or mechanical parts).
- **5 years:** for the mechanical resistance due to a manufacturing defect on: parts made in moulded or rotary-moulded thermoplastic (except mobile or mechanical parts).
- **2 years** for the mechanical resistance due to a manufacturing defect on: the other fixed, mobile or mechanical parts.

Husson guarantee and application terms mentioned above: refer to Husson's terms and conditions of sale available on the final pages of the current price list or on www.husson.eu.
