Technical
Benefits

Out&Fit® Street Work Out High-quality materials

1

Structure

Galvanised, thermos-lacquered posts (diameter 89mm thickness 3mm).

2

Apparatus

Steel or stainless steel posts of 33, 42 or 60 mm diameter depending of the apparatus.

The thickness ensures solidity and the non-deformation of the posts.
All thermo-lacquering RAL available.

3

Finish

The powder paint used is characterized by its " fine texture" to ensure users a good grip and an excellent resistance to scratching and abrasion.
All the colours from the RAL colours chart are available.

4

Heads of Posts

The extremity of some posts are lightly curved to be more attractive.
You can personalize at the head of the posts with a logo along with the colours of the caps. Flat caps add a sophisticated style.

5

Straps / Cords

Mixed Cords of 6 strands of 2,5 diameter (total diameter: 16 mm).
Steel central part surrounded by a special thick cable of 3 colours polyamide.

+ ASSEMBLY SYSTEM*

An Exclusive Assembly System

Using multi-D+ collars made from cast aluminium and special stainless steel anti-tamper and anti-vandalism screws (special Husson tool).

+ SAFETY

Safety by a Big Manufacturer

Out&Fit apparatus is designed to a rigorous specification including the requirements of the future European standard EN 16630; it is then tested and approved by an independent control laboratory.

They are for adults and teenagers over 14 years old.

+ GUARANTEES

Long Term Guarantee

- **20 years:** for the mechanical resistance due to a manufacturing defect on: metallic parts of the structure (posts, stainless steel screws)
- **10 years:** for the mechanical resistance due to a manufacturing defect on: the other metallic parts, made in aluminium, HPL and HDPE panels, "Wood Woodtech" (except mobile or mechanical parts)
- **5 years:** for the mechanical resistance due to a manufacturing defect on: parts made in moulded or rotary-moulded thermoplastic (except mobile or mechanical parts)
- **2 years:** for the mechanical resistance due to a manufacturing defect on: the other fixed, mobile or mechanical parts.

Husson guarantee and application terms mentioned above: refer to Husson's terms and conditions of sale available on the final pages of the current price list or on www.husson.eu.

*patented systems, registered designs.
